Inaugural Women in Resources
Northern Territory Awards
30 May 2015

**OUTSTANDING
TRADESWOMAN / OPERATOR / TECHNICIAN**

The Women in Resources Northern Territory Awards form part of the Australian resources sector's strategies to promote the benefits of increasing the participation of women at all levels.

They recognise, promote and celebrate the achievements of women, men and companies who make outstanding contributions toward a more diverse workforce.

The sector recognises that diversity not only helps to ensure it has the skilled employees it needs but also improves business outcomes via the proven benefits of a more inclusive and gender balanced workforce.

The Winner from each Award Category will be automatically nominated for the Women in Resources National Awards.
